YOUR DESIGN. OUR EXPERTISE.

Viccarbe Spaces unites your creative vision with our mastery, offering a practical tool that guides every project from inspiration to realization with harmony and precision.

Discover design solutions tailored to eight distinct workspace typologies: *welcome areas* designed to leave lasting impressions, *meeting spaces* combining functionality with sophistication, and *hybrid spaces* offering smooth transitions.

From *focus + private spaces* that encourage focus to *work cafes* merging collaboration with informality, *workshop spaces* sparking creativity, *restaurants* fostering connection, and *outdoor spaces* providing inspiration and comfort in the open air, each space typology is carefully crafted to meet diverse needs.

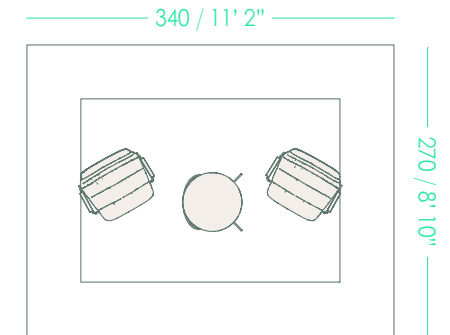

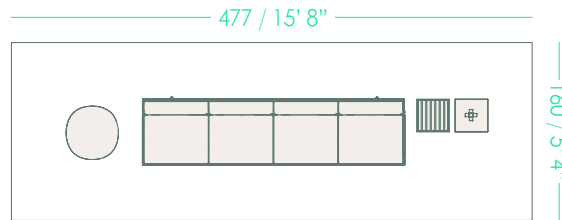

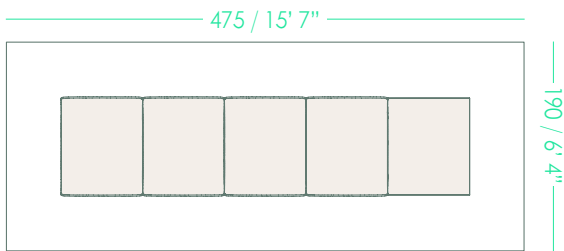

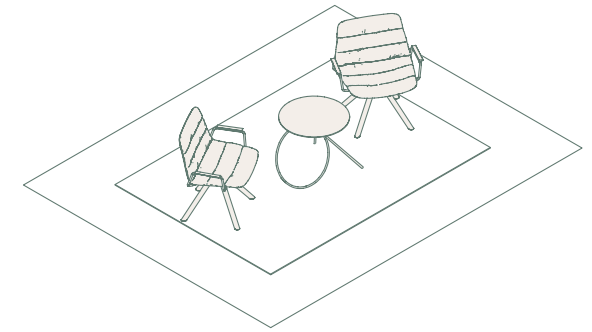

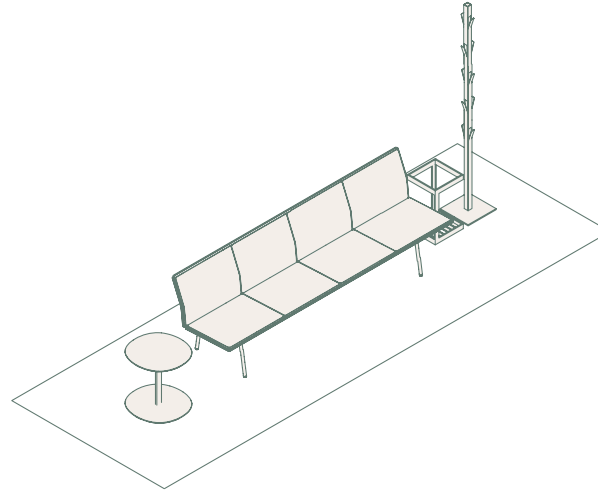

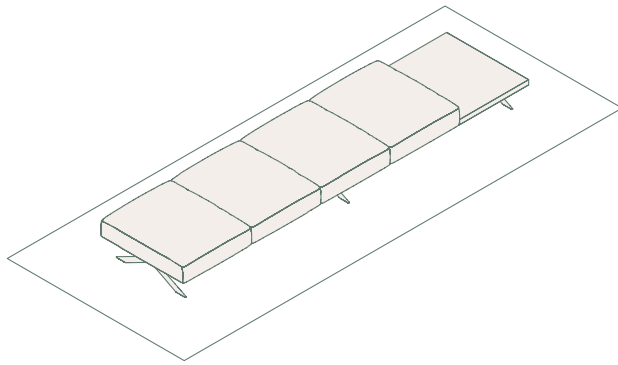

These ready-to-order sets are thoughtfully designed for seamless integration into any project, serving not only as complete solutions but also as a foundational example to inspire customization.

Each set can be adapted by interior designers to align with their aesthetic vision and professional expertise, while remaining easy to manage through Viccarbe, simplifying the entire process from selection to implementation.

The background is a solid dark teal color. In the top left corner, there is a white number '6'. The central part of the page features a series of white lines: a vertical line on the left, a horizontal line crossing it, and another vertical line further to the right. A horizontal line also crosses the second vertical line. In the bottom right corner, there is a large, stylized white shape consisting of two parallel lines forming a corner that extends diagonally towards the bottom right. The text 'WORKSHOP SPACES' is positioned to the right of the central lines.
